FAVE Lounge Chair Zenith

Features:

The name 'Fave' is a nod to the 80s, serving as a link to the chair's design inspiration but reinterpreted in a contemporary way. Three slats form the seat, merged into one cushion for enhanced comfort, while the back features a cylinder-shaped cushion. The design of the Fave Chair encourages relaxed and informal sitting positions, inviting users to lounge more freely. Although designed for contemporary lounging, it fits seamlessly into multiple environments.
