ESTATE Table

Zenith

Features:

Estate is a comprehensive family of tables that provide permanent 'localities' for divergent tasks. Serving as either an individual work-point table or a collaboration setting, Estate creates a 'home base' for specific modes of work. Distinguished by the grounded pedestals which come in a selection of profiles, Estate can be configured in ways that best align with varying work tasks and design aspirations.

Options:

- Round & Capsule Fixed Height Pedestal Table
  º Single, Twin or Triple
- Capsule Fixed Height Modesty Pedestal Table
  º Single or Twin
- Capsule Plus Fixed Height Pedestal Table
  º Single
- Capsule Plus Electric Adjust Pedestal Table
- º Single, Single Sided or Pod 2
- Collaborative & Work-point settings:
  º Collaborative setting: The table is intended for meetings/collaborative projects where the number of users fluctuates depending on the task
  º Work-point setting: The table is intended for individual work where users have their own defined space and the quantity of work-points is pre-defined
- Fixed, Above floor or Access floor Bases
- Foot Rail (1050 Fixed Height only), Sky Rail or Ctrl Screen Rail (Capsule Plus Electric Adjust Single Sides & Pod 2 only)
- Ctrl Screens (Sky Rail & Ctrl Screen Rail only)
- Cable Management: Fully Concealed Cabling, Central Click-in Access Lids & Powder/Data frame Mounting Plates
- Floorsense puck
