Glovebox

Glovebox with or without Power Plate

Features:

The Glovebox is a formed PET cable dump in a fixed size. A low cost and less capacity alternative to the power plate is to order the Glovebox 'without power plate' and then separately order the Services Mount Plate.

Options:

- Power plate for housing CMS soft wiring sockets

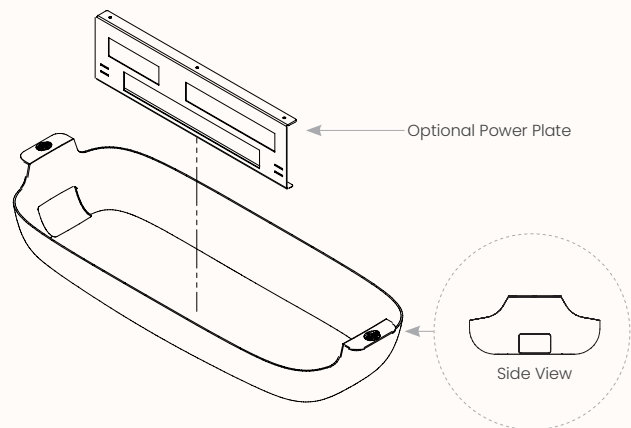

Finishes:

Dimensions:

Length Range	876mm
Depth Range	325mm
Overall Height	152mm

Wire Basket

Wire Basket - 950mm

Features:

Wire Baskets are made of wire mesh folded into a range of standard basket sizes. The worktop mounting brackets are welded to the mesh and the basket is then powder coated. The basket height/depth depends on the worktop mounting brackets.

Options:

- Single Sided
- Double Sided

Services Mounting Plate

Features:

The Services Mount Plate is a simple folded sheet metal part to suit required power and data softwiring outlets. The overall plate size is fixed, and are available in two types of plates – dual and quad.

Options:

- Dual plate fit 2x data and 2x GPO
- Quad plate can fit 2x data and 4x GPO

Cable Sleeve with ABS

Features:

The braided Cable Sleeve cleverly conceals the under desk cabling on all Zenith workstations. Designed with a loop at each end to attach the sleeve to the worktop and ducting or floor. Each sleeve can house a maximum of 2 power and 5 data cables. The Sleeve is a textured fabric with a matching ABS guide. It is located inside the braided Cable Sleeve to stiffen the fabric giving it a more rigid appearance. The ABS strip can be removed if desired.

96mm Duct Mounted on Z Bracket / Vertical Bracket

96mm Duct Mounted on Z Bracket

Features:

The 96mm Duct can be fixed to the worktop using Z-brackets. The Z-brackets offset the duct to give flexibility in the mounting position and avoid other items under the worktop.

Finishes:

Powder coat:

Dimensions:

Length Range 500-2700mm
 Depth Range 236mm
 Overall Height 160mm

96mm Duct Mounted on Vertical Bracket

Features:

The 96mm Duct can be fixed to the worktop using vertical brackets. The Vertical Brackets provide a smaller footprint and give flexibility in the mounting position and avoid other items under the worktop.

Finishes:

Powder coat:

Cool White (Satin/ Matt/ Fine Texture) **Warm White** (Matt) **Cool Grey** (Satin/ Fine Texture) **Gum Grey** (Fine Texture) **Monument** (Matt) **Black** (Satin/ Matt/ Fine Texture)

Dimensions:

Length Range 500-2700mm
 Depth Range 149mm
 Overall Height 160mm

96mm Dropped Duct (180 & 90 Only)

Features:

The frame mounted 96mm Duct on Rumba is higher than Orbis. When the Rumba desk is height adjustable and at the minimum desk height, the 96mm Duct can clash with cable management products fixed under the worktop. The 96mm Dropped Duct is available for 180-degree and 90-degree configurations.
