Glovebox

Glovebox with or without Power Plate

Features:

The Glovebox is a formed PET cable dump in a fixed size. A low cost and less capacity alternative to the power plate is to order the Glovebox 'without power plate' and then separately order the Services Mount Plate.

Options:

- Power plate for housing CMS soft wiring sockets

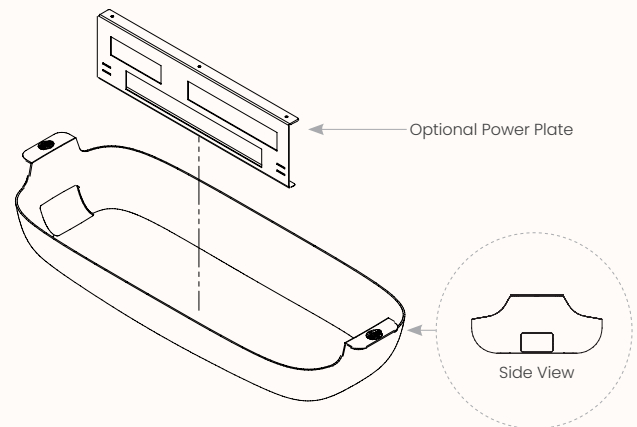

Finishes:

Dimensions:

Length Range	876mm
Depth Range	325mm
Overall Height	152mm

Wire Basket

Wire Basket - 950mm

Features:

Wire Baskets are made of wire mesh folded into a range of standard basket sizes. The worktop mounting brackets are welded to the mesh and the basket is then powder coated. The basket height/depth depends on the worktop mounting brackets.

Options:

- Single Sided
- Double Sided

Services Mounting Plate

Features:

The Services Mount Plate is a simple folded sheet metal part to suit required power and data softwiring outlets. The overall plate size is fixed, and are available in two types of plates – dual and quad.

Options:

- Dual plate fit 2x data and 2x GPO
- Quad plate can fit 2x data and 4x GPO

Cable Sleeve with ABS

Features:

The braided Cable Sleeve cleverly conceals the under desk cabling on all Zenith workstations. Designed with a loop at each end to attach the sleeve to the worktop and ducting or floor. Each sleeve can house a maximum of 2 power and 5 data cables. The Sleeve is a textured fabric with a matching ABS guide. It is located inside the braided Cable Sleeve to stiffen the fabric giving it a more rigid appearance. The ABS strip can be removed if desired.

96mm Duct Mounted on Z Bracket / Vertical Bracket

96mm Duct Mounted on Z Bracket

Features:

The 96mm Duct can be fixed to the worktop using Z-brackets. The Z-brackets offset the duct to give flexibility in the mounting position and avoid other items under the worktop.

Omni Duct

Features:

Omni Duct has 3 rows of formed detail in the tray so that power and data can be segregated in the separate rows. Double or Quad GPO Inserts clip into Omni Duct.

Options:

- Cable Divider can be specified for physical separation in Omni Duct
- With or without plates
