Cable Hub - 500mm

Features:

The Cable Hub has two sets of mounting brackets at each end and can be fixed to the worktop. Please ensure it will not clash with other items fixed underneath the worktop such as table support beams or in-desk boxes.

Options:

• Cable Hub
• Cable Hub with Cable Sleeve
• Cable Hub with Tractor

Finishes:

100% Recyclable PET:

Mid-Grey

Powder coated Mounting Brackets:

Black
(Fine Texture)

Dimensions:

Worktop Mounting Brackets

Zenith

Glovebox

Glovebox with or without Power Plate
Features:
The Glovebox is a formed PET cable dump in a fixed size. A low cost and less capacity alternative to the power plate is to order the Glovebox 'without power plate' and then separately order the Services Mount Plate.

Options:
• Power plate for housing CMS soft wiring sockets

Finishes:
100% Recyclable PET:

Mid-Grey

Dimensions:

Optional Power Plate

Side View

Length Range	876mm
Depth Range	325mm
Overall Height	152mm

Zenith

Wire Basket

Wire Basket - 950mm
Features:
Wire Baskets are made of wire mesh folded into a range of standard basket sizes. The worktop mounting brackets are welded to the mesh and the basket is then powder coated. The basket height/depth depends on the worktop mounting brackets.
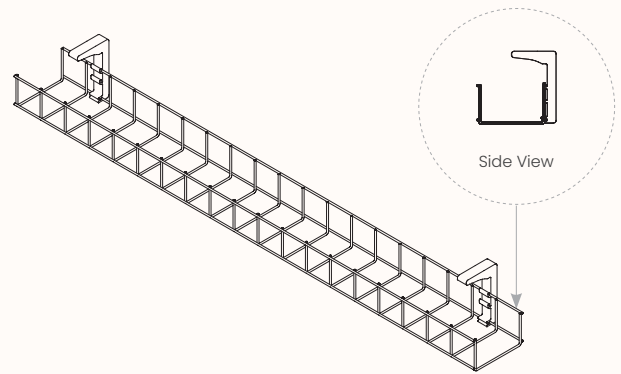

Options:
- Single Sided
- Double Sided

Finishes:

Powder coat:

Cool White
(Satin)

Dimensions:

Length Range	950mm
Depth Range	50mm
Overall Height	50mm

Felt Basket

Features:

Felt Basket works in conjunction with a Cable Sleeve or a third party Umbilical to bring the cabling neatly up from the floor into the basket.

Options:

• With or without Cable Sleeve
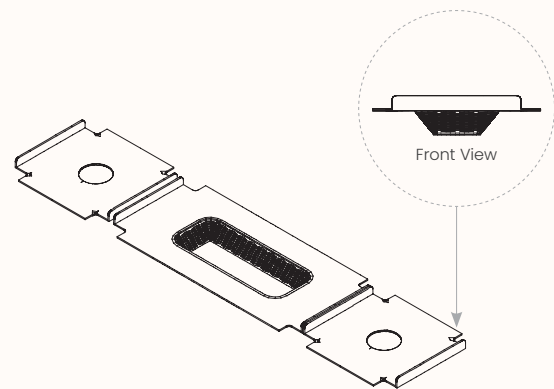

Finishes:

Felt:

Grey   Charcoal

Dimensions:

Front View

Length Range	766-2400mm
Depth Range	236-500mm
Overall Height	30mm

Max in desk box at expandable section: 400L x 150W x 120D

Zenith

Services Mounting Plate

Features:

The Services Mount Plate is a simple folded sheet metal part to suit required power and data softwiring outlets. The overall plate size is fixed, and are available in two types of plates – dual and quad.

Options:

- Dual plate fit 2x data and 2x GPO
- Quad plate can fit 2x data and 4x GPO

Finishes:

Powder coat:

Zenith

Cable Sleeve

Features:

The Cable Sleeve brings the cabling neatly up from the underside of the desktop to the cable tray or floor. It pairs perfectly with the 'Felt Basket & Cable Hub', but can also be used independently. The Sleeve is a textured fabric and can safely hold 1 x Power and 2 x Data cables.

Options:

- With or without Felt Basket

Finishes:

Fabric:
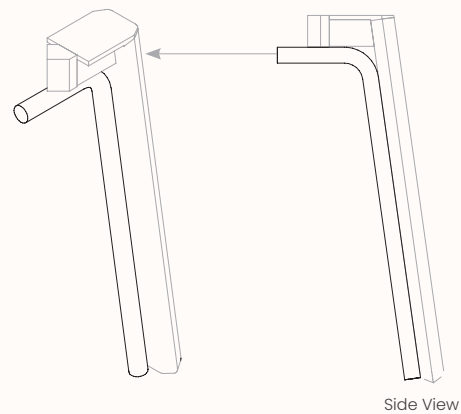

Black   Grey   White

Dimensions:

Length Range	25mm
Depth Range	1mm
Overall Height	1000mm

Cable Sleeve with ABS

Features:

The braided Cable Sleeve cleverly conceals the under desk cabling on all Zenith workstations. Designed with a loop at each end to attach the sleeve to the worktop and ducting or floor. Each sleeve can house a maximum of 2 power and 5 data cables. The Sleeve is a textured fabric with a matching ABS guide. It is located inside the braided Cable Sleeve to stiffen the fabric giving it a more rigid appearance. The ABS strip can be removed if desired.

96mm Duct Mounted on Z Bracket / Vertical Bracket

96mm Duct Mounted on Z Bracket
Features:

The 96mm Duct can be fixed to the worktop using Z-brackets. The Z-brackets offset the duct to give flexibility in the mounting position and avoid other items under the worktop.

Finishes:
Powder coat:

Cool White	Warm White	Cool Grey	Gum Grey	Monument	Black

Overall Height	Any height
	(Can go to the ceiling)

Zenith

96mm Powerblade

Features:

The 96mm Powerblade carries cables from the access floor to the 96mm Duct. The 96mm Duct can be fixed to the desk frame or the worktop (depending on the desk system). 96mm Powerblades are available in the following types:

- Silhouette 720H or 750H (suits any 96mm duct on Z-brackets or vertical brackets mounted to the worktop – therefore can be used on other desk frames such as Kissen, Epic Plus)

Finishes:

Powder coat:

Cool White	Warm White	Cool Grey	Monument	Black
(Satin/ Matt)	(Matt)	(Satin)	(Matt)	(Satin/ Matt)

Dimensions:
