

PEBBLE WITH BACK Range

Features:

Modular by design and versatile by nature, hours of fun are to be had arranging Pebble into endlessly imaginative collaborative settings. Born out of the rugged landscape of North West Australia, Pebbles bold geometry sports a forest-friendly frame padded with eco foams. Pebble Modular Seating included a backrest design making it even more versatile within the changing office landscape. Back to back, face to face, or sideways, you choose which way you want to sit. Tall and short in three widths, new Pebble Backs are angled and slightly flexible.
